

GLASSBLOWING WORKSHOP

NOW FORMING!!!

- Learn the art of hand-blown glass in this 3-day hands-on “Hot Workshop.”
- Learn the basics of glassblowing: gathering, marvering, jacking, & blocking.
- Progress to making various glass vessels.
- Work with clear glass to help you develop your glass shaping skills.
- Learn decoration techniques and apply them to your work.

Workshops are limited to 3 people per weekend to give highly interactive, individual, instruction. You will progress at your own pace, and you will be able to keep and show your efforts! The workshop dates will be coordinated with the students after registration.

Workshops are one FULL weekend in length, and include lunch & drinks.
Friday: 6 p.m. - 9 p.m. | Saturday: 9 a.m. - 4 p.m. | Sunday: 10 a.m. - 3 p.m.

The glass workshop cost, including all fees, is \$450.

Payment will guarantee your spot in the workshop. Checks payable to Crystal Forge.

WHAT YOU NEED TO BRING

- 100% cotton clothes (we recommend jeans and long-sleeve shirts).
- Pair of light sunglasses (light enough to see clearly indoors).

Contact Ed Fennell at (402) 578-1081 (in Omaha) if you are interested.

You can also fill out the form below and drop it off in person at the Hot Shops Art Center, or mail it to **Crystal Forge, 1312 Iazard Street, Omaha, NE 68102**
